Dear Ms. Eger,

This letter is to help you reconcile Our Country Deserves Better PAC (ID# C00454074) Late Independent Expenditure reporting and to clarify payments made to vendor California Image Associates. The independent expenditure forms filed on 10/12/2008 were for video production and editing costs for the videos that were made public on 10/12/2008. The payments made to California Image Associates for these services, were made on 8/28/2008 and 9/24/2008 in the prior reporting period and therefore disclosed on our Quarterly Form 3X covering 1/1/2008 - 9/30/2008.

Please feel free to call me if you have further questions.

Sincerely,

Betty Presley
Treasurer
